
Crabby King
If the King is at the top of the Inn:
The King irks the patron in the room directly below.
The king CANNOT be in the bar at the end of the game, or else you lose.

Weary Werewolf
If the Werewolf is on an even-numbered floor:
The Werewolf views the full moon, then transforms and leaves. On her way out, she eats a patron at the Bar. That patron leaves too, inside the Werewolf.

Thirsty Genie
If neither the top nor the bottom of the Inn have BEER:
The Genie leaves and snaps her fingers on her way out. Shuffle all of the remaining patrons in the Inn and place them back in a random order. Restart resolving irks at the top of the Inn.
